ABOUT JFAO

JFAO provides opportunities for young people aged 15-29 of all backgrounds, especially those in rural Ontario. For more than 75 years JFAO has been

building rural leaders through personal growth, travel, experiences and community betterment. Across the province members come together to build long lasting relationships within their community.

Each year JFAO members collectively donate upwards of \$50,000 to charitable projects across the province, along with countless hours of volunteer service.

Self-directed programs and opportunities provided by JFAO help members to develop a sense of social and environmental responsibility, the ability to provide effective leadership, and an awareness of good citizenship within the community and world around them.

ABOUT THE PROGRAM

The Ontario Century Farm sign (CFS) was initiated as a Canadian Centennial project by the Junior Farmers' Association of Ontario (JFAO).

Due to a great demand for the signs, JFAO proudly continues the program and has expanded it to recognize even greater milestones through add-on signs marking 125, 150, 175 and 200 years.

The sign fee (\$50 and \$100) supports the cost of the program and leadership development within JFAO, aiding in the club's mission.
