

JFAO President's Rose Awards

JFAO recommends clubs, members or communities nominate anyone eligible for the annual President's Rose Awards for:

- Outstanding Novice Member*
- Most Outstanding Member*
- Outstanding Retiring Member*

Nominations require at least two letters of reference, including one from the nominator. Additional letters of reference are welcome (but not necessary).

*A nomination should include an explanation of why the person is being nominated and a description of their involvement in club, county, or provincial activities, including a listing of all positions held in **JF** up to the past year. (executive, organization representative, event chair, committee member, etc.)*

*Nominees should have shown outstanding leadership and dedication in organizing and/or participating in club and provincial events, initiative in new programs, promoting **JF**, and member recruitment during the past year (for retiring members, during their Junior Farmer career). Providing information on the nominee's involvements outside of **JF** is also recommended.*

To ensure all deserving candidates are nominated, nominators may submit more than one person for a particular category, provided each has shown equally outstanding achievement and involvement.

If submitting more than one, please submit each nomination using a separate copy of this form – make sure to include your letter!

Deadline for mailing all entries to the JFAO office OR emailing to president@jfao.on.ca is January 31.

President's Rose Awards Nomination Form:

I, _____, from the county of _____
